This letter is to officially inform you that you are not welcomed to write, visit, call, e-mail, or attempt to contact me, or members of my family, in any way.

This includes contacting any members of my family, my employers, or friends by yourself, your family, or your friends (third party contacts) in an attempt to pass information on to me or harass me in any way.

These behaviors you are engaged in have caused me to fear you. Any future attempts by you to contact me will be reported to the appropriate law enforcement agency.

**This is my formal request for you to leave me alone!**
