

NO SPRAY SITES

Jefferson County may allow landowners to pose their land as a “No Spray Zone”.

The following conditions will be met:

1. Complete permit with notarized signature. Proof there is a permanent resident on the property with medical sensitivity to herbicides.
2. The private property contains special vegetation or habitat considerations. Documentation is necessary.
3. The landowner has on file with the County Weed Board a weed management plan containing the following information:

(Information required in parts a, b, c, and d may be combined into one map.)

- a. Plat or map of the property AND legal description.
 - b. A Map detailing all right-of-ways and entrance driveways on the property.
 - c. A map detailing the species, acreage, and location of noxious weeds on the property.
 - d. A map detailing any water courses such as rivers, streams, irrigation ditches, sloughs that traverse the property and enters adjacent lands.
 - e. A statement giving the typical wind direction at the property.
 - f. A detailed plan stating how weeds on the property will be controlled.
 - i. How neighboring property will be protected.
 - ii. Methods of control may be chemical, biological, mechanical, cultural or other documented methods approved by the board.
 - g. A signed letter from the Montana Department of Transportation stating an agreement with the control method to be used along state right-of-ways.
4. The Jefferson County Weed District will provide one set of signs to the property owner with the wording “NO SPRAY ZONE”.
 - a. A sign will be placed on each corner of the property. Along roads, a sign will be posted at each end of the property adjacent to the road and at any driveway leading onto the property.
 5. The landowner agrees to inspection of the property should problems or complaints be filed.

6. The landowner agrees that the County Weed Board will order removal of any plant found that is listed on the State Noxious Weed List, Priority 1A, 1B, or 2A.
